

## Travel to the HSRC

### From LAX (Los Angeles International Airport)

Take the Van Nuys Flyaway shuttle bus to the Van Nuys Terminal. The Cost is about \$7 (Cards only. No cash.)

After exiting from the baggage claim area, find and stand under one of the GREEN signs that say "Flyaway, Buses, Long Distance Vans." You might have to walk to your left or right to find one. They're in the CENTER isle. *Tip: If you arrive at one of the higher-number terminals (6-7-8) during a busy time, the Flyaway buses might be full. Walk to a lower terminal number for a better chance at a seat.*

From the Van Nuys flyaway, take a cab to the Holy Spirit Retreat Center. (Cost about \$25)

### From BUR (Burbank "Bob Hope" Airport)

Take a cab to the HSRC. (Cost about \$45)

### Local Rides

We might be able to connect you with local helpers who can provide rides from either BUR (airport) or the Van Nuys Flyaway. The fee for this service is \$20 per person, per trip. Let us know at least one week in advance if you think you would like to use this option. You can also try local services such as Uber.
